Revd Paul Langham opening CRE

Paul Langham is Vicar of Christchurch, Clifton (Bristol). His passion is both for the Bible and for those who know neither the Bible nor Jesus.

He is the author of *WHO?*, a vivid re-telling of the New Testament written to help those who struggle with Scripture – and those who haven't tried to tackle it yet. With its intriguing title *WHO?*, a Bible Society publication, helps readers quickly get to grips with the question of 'who is Jesus' – the

person at the heart of the New Testament. With lively dialogue that lifts off the page, the first three Gospels run together in a free paraphrase style making *WHO?* an easy read. 'I see it as a bridge into the Bible,' says Paul Langham. 'My dream is that *WHO?* will do for non-Christians what *The Message* did for Christian readers.

Paul Langham is speaking on Wednesday at 1pm in Room 3.

Spotlight Stage in the Café

Entertaining and informative – that's Spotlight, CRE's rolling showcase situated in the Café in the heart of the exhibition. Enjoy everything from interviews to street theatre. There will be some great worship as well as comedy and a few surprises like Clergy on the Catwalk. Check out the plasma screens next to the stage for each day's programme.

Bless others with your surplus Bibles and Christian books

Book Aid's vans parked on site at CREs receive at least TEN TONS of donated Christian Books and Bibles each year. With this input Book Aid sorts, selects and ships one million Christian books to book famine areas annually.

To date over 25million books are being read by one hundred million readers around the world. More information available by phoning 0208 778 2145.

Very popular comic hosts the Spotlight Stage at CRE West

The Spotlight Stage will be compered by Christian comedian and presenter Joe Fisher. The Spotlight Stage is the centre of the exhibition and will feature interviews and performances from a variety of special guests as well as some of the speakers and worship leaders who make a day at CRE such a blessing.

Besides for his comic creations, some of whom will be making an appearance at the exhibition, Joe is also a sought after commentator and interviewer. He was recently the commentator for the help at Old Trafford for the Olympics. He also compered the opening weekend of the Chris Hoye Velodrome and the inaugural Jenson Button triathlon

David Pawson speaks on Christian suffering

Why have Christians in this country escaped much of the suffering experienced by their brethren elsewhere? Will it

happen here? If so, how can we prepare for it? Could we even rejoice in it? Eminent Bible scholar and teacher David Pawson will be opening up the Scriptures in his unique way and teaching from them about preparing for suffering. David will be speaking in the Arts Theatre at 1pm on Wednesday 23rd.

Healing and Wholeness

Wednesday 23 January 11.30am

Live from the **Spotlight** stage is CRE's own fashion show, *Clergy on the Catwalk*.

See the latest designs and styles in ecclesiastical clothing modelled by local ministers who have, for the day, swapped the pulpit for the catwalk. A really fun and enjoyable event.

'We are looking forward to another great event after the success at the previous exhibitions' says CRE's Steve Goddard,

'It is always great fun and gives clergy an opportunity to discuss the spiritual significance of their "working" clothes.'

We are still looking for ministers to model from any denomination or gender! If you're interested email stephen_goddard@btconnect.com or phone him on 01744 733 898.

MAF lands at UWE, Bristol

Mission Aviation Fellowship (MAF) will be offering visitors at CRE West a unique opportunity to experience their new state-of-the-art interactive exhibition trailer complete with flight simulator.

Test your skills as a pilot as you enjoy the thrill of landing a MAF plane in Africa. Experience being on board a plane which is normally filled with dedicated teams bringing medical care, supplies and Christian hope to communities struggling to survive amidst poverty, conflict or natural disaster. Flying across deserts, jungles, swamps and mountains, MAF reach places that might otherwise remain cut-off because of impassable or non-existent roads.

Round off your visit by seeing a challenging film about the work of MAF.

Racing for charity

Autosave is calling all budding Formula 1 drivers to come and try a lap on their simulator, with the winner being given £100 for their nominated charity. Over the two days of the exhibition the race will be on to achieve the lowest lap time on the simulator, with the 'Jenson Button' of the exhibition being able to nominate a charity to whom the £100 will be presented. If you ever fancied driving a Formula 1 car then this is your chance by visiting Autosave on stand B15.

Exhibition prayer room

One of the popular features at a CRE exhibition is the prayer area where you can take a moment to pray or you can have prayer from one of our Exhibition Pastors.

For those with sore feet there are even foot spas to rejuvenate you for the rest of the exhibition! The pastors will be walking around the exhibition as well so if you need any support whilst you are there please stop them as they will be happy to help and pray for you.

Book and resource centre

Make sure you have plenty of time to browse and buy in the book and resource centre located in the centre of the exhibition. Stocked with everything from Bibles, books and Christian music to a wide range of resources. A great opportunity to purchase both for your church and personal requirements.
